(actually 18?)

Object: apple

User: We would like to play 20 questions. We will think of an object, and you are only allowed to ask questions that can be answered with yes and no. Ready?

Assistant: Sure, I'm ready! Let's play 20 questions. Please think of an object, and I'll start asking questions.

User: Go.

Assistant: Great! Is the object you're thinking of man-made?

User: No.

Assistant: Is the object you're thinking of alive?

User: No.

Assistant: Is the object you're thinking of found indoors?

User: Yes.

Assistant: Is the object you're thinking of smaller than a breadbox?

User: Yes.

Assistant: Is the object you're thinking of something that you can sit on?

User: No.

Assistant: Does the object you're thinking of serve any practical purpose?

User: Yes.

Assistant: Is the object you're thinking of used in the kitchen?

User: Yes.

Assistant: Is the object you're thinking of used for cutting or chopping food?

User: No.

Assistant: Is the object you're thinking of used for cooking food?

User: No.

Assistant: Is the object you're thinking of used for storing food?

User: No.

Assistant: Does the object you're thinking of help with cleaning in the kitchen?

User: No.

Assistant: Does the object you're thinking of help with measuring ingredients in the kitchen?

User: No.

Assistant: Does the object you're thinking of help with organizing or storing kitchen utensils?

User: No.

Assistant: Is the object you're thinking of used to hold or serve food or drinks?

User: No.

Assistant: Is the object you're thinking of used to open or close something in the kitchen?

User: No.

Assistant: Hmm, it seems like I'm running out of ideas. Let me try to narrow it down further. Is the object you're thinking of used in food preparation, but not for cutting or cooking?

User: No.

Assistant: Okay, I'm running out of possibilities here. Can you give me a hint or a clue about what the object might be?

User: It is food.

Assistant: Ah, I see. That makes things easier. Is the food you're thinking of a fruit?

User: Yes.

Assistant: Great, we're making progress! Is the fruit you're thinking of red in color?

User: Yes.

Assistant: Based on your previous answers, I believe the object you're thinking of is a strawberry, is that correct?

User: No.

Assistant: I'm sorry I couldn't guess it correctly. I hope you still enjoyed playing the game!
